

# *Sunrise River Watershed Management Organization*

## *Invitation:*

# *Watershed Planning Input Meeting*

The Sunrise River Watershed Management Organization is beginning a once-every-10-years update of its Watershed Management Plan. To kick off this effort, it is hosting a facilitated meeting to get input from elected officials, lake groups, and the general public.

The SRWMO is jointly formed by Linwood Township and the Cities of Columbus, Ham Lake and East Bethel. The organization is responsible for water management including water quality in lakes and streams. Recent projects have included carp barriers and carp removal, rain gardens, public outreach and water monitoring.

### AGENDA:

**Thursday, May 24, 2018**

**Location: Coon Lake Beach Community Center**

182 Forest Road Wyoming, MN 55092 (map on next page)

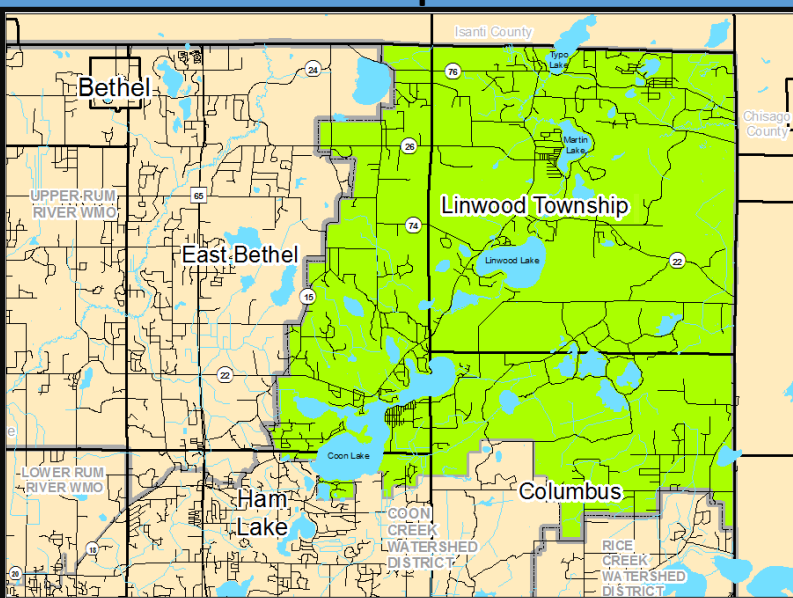

**6:30-8:00pm Public input meeting**

Audience: Elected officials, state and local staff, lake associations, general public

Meeting to include:

- Presentation including: SRWMO duties, water resources and their condition, and recent SRWMO work
- Interactive small group activity to identify priority topics, concerns and SRWMO work wanted in next 10 yrs
